

Cocktail & Mocktail teambuilding

Let the fun begin

Why Us?

Looking for a unique teambuilding ?

Embark on an unforgettable teambuilding experience that transcends the ordinary – Cocktail Crafting and Flair Fusion! Unleash the power of synergy as your team dives into the world of mixology, where every shake and stir becomes a metaphor for collaboration and innovation.

How it works

We split you team up in groups to compete in a healthy competition against and for each other. You team will work through several different stages which you can choose from. All the contestants will know how to mix a variety of cocktails & Mocktails at their home as an added bonus. Here are the different stages you can choose from :

Stages :

Mixology : Learning the art of cocktail and mocktail mixology

Flair bartending : Learning the art of flipping a bottle and tin whilst mixing your cocktail & Mocktail

Blind Tasting : Blind tasting different cocktail & mocktail ingredients

Cocktail layering : Lets see how many layers can you build in your cocktail & mocktail
